

Sobo Power

Versatile Alkaline Degreaser and TFR

A truly powerful product that rapidly degreases the heaviest of oil contaminated yards, factory floors and engineering components.

Versatile because, as well as removing heavy oil, Sobo Power is an excellent Traffic Film Remover - our chemical of choice for cleaning cars and lorries traffic film free.

KEY PROPERTIES

A blend of biodegradable surfactants designed to reduce the surface tension of oil and grease emulsions enabling surfaces to be rinsed clean, oil free and film free.

Designed to remove oils, greases and lapping slurry.

- Versatile
- Biodegradable
- Separator friendly

APPLICATION

- Recommended dilution for use with steam cleaning, floor cleaning and vehicle cleaning machines: 4%.
- For use in either cold or hot water systems.
- Allow a contact time of 2–3 minutes before rinsing clean with water.
- Can be used as supplied for very heavy oil degreasing.
